

Heaven

a glimpse into eternity

This is God's Word for my life in this place and at this time. Today I am a new creation in Christ, I am God's very own and I believe he has a purpose for my life.

Very truly I tell you, you will weep and mourn while the world rejoices. You will grieve, but your grief will turn to joy. A woman giving birth to a child has pain because her time has come; but when her baby is born she forgets the anguish because of her joy that a child is born into the world.

Heaven

So with you: Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy. In that day you will no longer ask me anything. Very truly I tell you, my Father will give you whatever you ask in my name. Until now you have not asked for anything in my name. Ask and you will receive, and your joy will be complete.

Heaven

“I have told you these things,
so that in me you may have peace.
In this world you will have trouble.
But take heart! I have overcome the world.”

John 16:20-33

Heaven

“He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end.”

Ecclesiastes 3:11

Life is DIFFICULT; it tests our DEVOTION

“I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world.” John 16:33

*I can endure the JOURNEY
because I know the DESTINATION.*

“So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal.” 2 Cor. 4:18

Heaven

It's all Worth It

“I consider that our present sufferings are not worth comparing with the glory that will be revealed in us.”

Heaven

A bright sun is rising over a dark horizon, creating a lens flare effect. The sun is positioned at the top center of the frame, and its light illuminates the horizon line. Below the horizon, the word "Heaven" is written in a white, elegant cursive script. The background is a deep, dark blue or black, suggesting a night sky or a vast, dark space.
